RE: Residential Parking Program – Permit Renewal for 2013

Dear Licking Riverside Resident,

The 2013 Residential Parking Program Permits will be available for purchase beginning Monday, December 3, 2013. Permits for the 2013 calendar year will be available at the Ampco parking office window, 501 Scott Blvd., Covington, Kentucky. The 2013 permits will be valid from the date you purchase them through 12-31-2013. The 2012 (pink) permits will remain valid until January 15, 2013.

The boundaries of the area for the program are Eighth Street north to the Ohio River and the north/south alley between Scott and Greenup east to the Licking River.

This is an optional program for residents who reside within these boundaries and residents may or may not elect to participate in the program. A brochure describing the details of the program is available at www.covingtonky.com from our home page and also on the Licking Riverside webpage of the city's website: click Neighborhoods, click Licking Riverside. If you need one mailed to you, please call 431-7049. The program area map and other program details are also available on this webpage. Please read this information thoroughly to help you decide if you wish to participate in the program.

Parking program enforcement is now handled by Ampco Parking Management, and you will see their enforcement staff in the area in lieu of the previous enforcement by the Police Department. Should you have any questions about this, please contact me at 292-2323.

If you wish to participate in the program, please find enclosed a copy of the Permit Application for you to complete at your convenience prior to visiting the Ampco Office window.

If you have any questions regarding the program, please contact us at (859) 431-7049 or 292-2323.

Sincerely,

Mike Yeager
